Hi, Libby.

I'm available if needed, and it does make some sense for me to go down. Let's leave it that you will call me when you have a minute, rather than me calling you. And I'll let you know when I hear from Gina.

I'm going to check in with Rich as soon as he gets in, too.

Take care.

Hi Cynthia,

Thanks! Sorry I have responded to the other emails. Kind of crazy here. Just to give you a heads up. Gina Gristiano will probably be calling you. They are looking for someone that might be able to transition down here after me. Probably beginning of next week Monday/Tuesday. I suggested she reach out to you since you are the CIC on the site and know a lot about what EPA is doing. While you're not a PIO, the PIO role is really the same that the CIC does. One thing to mention to Gina is that you do not have a cell phone that give you access to email. She should be able to fix this for you. Libby

Hi, Libby.

Attached is our site contact list for the Upper Animas. It is more comprehensive than the CIP. I'll give you a ring soon to see how I can help.
